## RECOGNISED BY

## SECOND INFORMATION

### Dear friends and conference participants,

We are honoured to invite you to the 10<sup>th</sup> International Scientific Conference on Kinesiology 2024. The conference will take place in Opatija, Croatia from 12<sup>th</sup> to 15<sup>th</sup> of September 2024.

The aim of the conference is to provide a forum for the latest research, theoretical and applicative insights, findings, and experiences from the vast field of kinesiology, the science of human movement and exercise. A presentation of the latest information is expected from the basic principles to practical applications.

Kinesiologists (or sport scientists) – academicians, researchers, lecturers and practitioners, PE teachers, coaches, physicians (esp. specialists of sports medicine), physiotherapists and others, as well as postgraduate students and experts from cognate and adjacent scientific fields from all over the world are welcome.

The presentation of the latest information is expected in podium and poster presentations. Each author is free to take approach he/she wants within the scope of the announced Conference topics.

Contributors who will be younger of 33 years of age in 2024 have the opportunity to participate in the Miloš Mraković Young Researchers Award contest.

## WELCOME TO OPATIJA, CROATIA, TO THE 10<sup>TH</sup> CONFERENCE ON KINESIOLOGY

### LOOKING FORWARD TO WELCOMING YOU AT THE CONFERENCE IN OPATIJA, CROATIA, IN SEPTEMBER 2024, OPATIJA, CROATIA

### CONFERENCE VENUE

**Opatija - well known Pearl of Adriatic Sea!**

Opatija is the largest city on the eastern coast of Istria, centrally located on the northern part of the Croatian Adriatic Sea along the so-called Kvarner Bay. The unique city shines with quiet elegance and sumptuous beauty. Opatija's villas and buildings of exceptional architectural value, surrounded by the evergreen mountain Učka, and an almost 12 kilometres long promenade alongside the sea, the famous Opatija „Lungomare“, stretch along the Opatija coastline from Volosko to Lovran and gives a particular charm to the city and its riviera. Because of its unique climate and temperature, Opatija is attractive not only in the hot summer months when offering refreshment, but in the winter as well, with its mild and warm temperatures because of which it was a popular winter among Austrian aristocracy since 19<sup>th</sup> century!

**Hotel Ambassador**  
Hotel Ambassador, comprising 243 spacious and lavishly appointed rooms and suites, state-of-the-art meeting facilities, world-class dining establishments, and an authentic spa experience, promises an extraordinary stay. Situated centrally near Opatija's city center, Hotel Ambassador manages to maintain its privacy while offering convenient access. Perched above the beach and adjacent to the 12-kilometer Lungomare promenade along the picturesque Adriatic Sea coast, it provides an idyllic escape during scorching summer days, with the option to retreat to the beach or the outdoor swimming pool for sun-soaked relaxation.
